

Provincial Grand Lodge of Somerset

To all Members of the Provincial Grand Lodge of Somerset

18th December 2019

Dear Brethren,

Christmas is almost upon us and it should be a time to relax and enjoy the company of family and friends, sadly in many cases this does not happen. The long run up to Christmas can often be stressful, and this is when we need to show our patience and understanding. As we were reminded at the All Saints Carol Service in Weston super Mare, Christmas is a celebration of the birth of a baby boy. Try to make it a time of rest, reflection, recuperation, and to prepare for the challenges of the year ahead.

My heartfelt thanks to all within the Province for your help over the past nine months, and I will be hoping for more of the same during the year ahead.

Jacky, and I thank you all for your support, encouragement, and your warm and friendly welcome.

We hope that you will enjoy the celebration of Christmas, and New Year, and offer you our best wishes for a happy, healthy, and peaceful year ahead.

It is not my custom to send Christmas cards, instead I will be making an offering to the Church in Weston where we enjoyed an excellent carol service.

Yours sincerely, and fraternally,

David

Provincial Grand Master
