2nd June 2020.

Coronavirus Pandemic

Dear Companion Scribe E's,

In the weeks following the end of March and in response to the joint communique by the MCF and UGLE, the Provincial Chapter of Somerset has been able to support our local communities with a total of **£11,047.50** into the Covid-19 Relief Chest.

The Grand Superintendent was overwhelmed by your generosity and sends his best wishes to all those who gave donations and organised or took part in fundraising activities towards that marvellous figure.

It shows true Masonic support for the community and all Companions should be very proud of this achievement.

Please send this onto your members of your respective Chapters it helps to keep them updated on what we as a Province are responding to in this crisis.

I hope you are keeping well and safe, and look forward to the time we can all meet up and attend the meetings in our wonderful Order.

Best Regards

Sincerely and Fraternally

Andy Clapp

E.Companion Andrew Clapp PAGDC
Provincial Grand Charity Steward
