

Family Beach and Speedboating Event

The Adair Club welcomes you, your families and friends to a fun beach day. We will be gathering on Saturday 05 September, 14:00 @ Bowleaze Cove

We will have two boats there to have fun on, they will take people for rides, waterskiing and on rubber rings. The boats will be anchored off shore so you will have to swim a short way to them.

Bowleave Cove is a pebbled beach with a café, toilets and an amusement arcade. The water is safe and shallow and there is a large expanse of grass above the beach for playing on.

Bring along a picnic and join us for a fun afternoon. The children and kids amongst us will enjoy it. If you have wet suits and life jackets bring them too.

Please let us know you're coming and how many in your party so we can gauge numbers.
