

Somerset TLC are supporting the NHS Frontline Day on July 5th

As some of you may know UGLE is an official supporter of the upcoming NHS, Social Care and Frontline Workers Day and the MCF have asked TLC Schemes in the provinces to support the event too.

We therefore plan to rise to the challenge and raise some funds for NHS Charities by raffling a 20" Fundraising Bear among the members of the Province of Somerset.

UGLE are keen to highlight the support that Freemasons have given to the NHS so we aim to raise as much as possible in the hope that we can get some press coverage.

How it will work:

We are asking each lodge secretary to publicise this raffle to all their members by e-mail, inviting them to enter for £1. If anyone wishes to make a more substantial donation, it will be gratefully received and we hope as many members as possible will support this initiative.

The secretary will return a list of entrants (in MS Excel please) to the email address below by Friday 3rd July and every name will be put in the draw. The lodge treasurer is requested to remit the total funds raised on behalf of the members of his lodge to the Provincial bank account.

The totals raised from all lodges will be donated to NHS Charities in Somerset.

Your support for this worthy cause would be greatly appreciated.
