# Annual Meeting

## Notes for filling out the booking form.

Everyone dining from the PGM down needs to appear on a booking form.

### Here are some facts for you.

- There is only one menu this year and it is 2 courses with no Tea or Coffee.
- Any dietary requirements must be shown against the individual name on the booking sheet. (no requests can be accepted on the day)
- The chef will provide a meal to meet your dietary requirements.
- Your place on the table will show your dietary requirements.
- Only 10 to a table, if you book more than one table, we will do our best to seat you close to each other, but we cannot guarantee this.
- The maximum number for dining is 450, a first come basis will be used. Some of you leave it to the last minute, you could be disappointed if you do this.
- The last date that your booking form will be accepted is **22<sup>nd</sup> February 2026**.
- We will acknowledge your booking.

### Filling out your form

- You must show a lead Member; this must be the main contact for the group or individual and should be placed at the head of the booking sheet with contact details.
- The lead Member if dining should also appear on the dining list of the form.
- If you are booking as an individual, please place your name in both sections. You must do this to cover any dietary requirements.

### Payment

- This is our biggest headache as many of you do not provide enough information for us to check you have paid.
- You must tick the box in the top right corner of the form to indicate how you are paying either by **BACS** or by **CHEQUE**.
- We would ask as many of you as possible to pay by BACS, this is where our problem starts.
- When completing a BACS transaction you get a receipt, sending this to us would truly assist, When completing your BACS payment always use your **Surname** as the reference.
- Please do all you can to assist us.

**Thank you.**
